Are you an artist of at least 18 years old? Then the brand new programme Culture Moves Europe is definitely for you. You can apply for an individual grant or as an organisation to host resident artists.

YOUTH PARTICIPATION ACTIVITIES

These target a broad youth audience, and they also include lots of opportunities for musicians and artists. Everyone between the ages of 13 and 30 can apply, as an informal youth group or through an organisation. You can find all relevant information in the Erasmus+ Programme Guide

YOUTH EXCHANGES

These are learning mobilities for young people between 13-30. The topics can vary from discrimination to music, environment, culture and many more.

MOBILITY OF YOUTH WORKERS

If you are a youth worker yourself working with young musicians (and not only), you might be interested to join a mobility of youth workers.

DISCOVEREU

If you are 18 and residing in an EU Member State, don't hesitate to apply for your free interrail pass to discover Europe through the DiscoverEU programme. You can even get inspired by hopping on the culture route.

EUROPEAN SOLIDARITY CORPS

If you wish to volunteer, European Solidarity Corps is the programme for you! You can participate in short-term or long-term volunteering projects on culture, arts, sports, or any social topic. Create your profile on the European Youth Portal and find out about the projects taking place around Europe and the world.
