#WEMUSIC OVERVIEW

WE·Music

After 24 months of the transnational project WEMusic, funded by ERASMUS+, provided a fantastic opportunity to young musicians with fewer opportunities from six countries: Turkey, Belgium, Italy, Tunisia, Palestine, and Bosnia and Herzegovina.

In this final edition, we will take you through the collaborative efforts undertaken in six countries with our esteemed partners: Labirinto from Pesaro, BDK from Bodrum, YEU International from Brussels, Artlab from Palestine, CEREBRA from Banja Luka, and CCAB from Tunis.

Throughout this journey, we had the privilege of connecting young musicians during three on-site activities: two Youth Mobilities in Bodrum and Hammamet, and the WEMusic Fest in Pesaro!

We will share some photos and numbers in the next couple of pages of what we accomplished and how we created a small WEMusic family with hundreds of young musicians who will continue to work on their personal and professional growth, becoming leaders of change in their local communities!

More than 5,770 people were involved in the dissemination events across six countries. More than 1,000 people participated in the WEMusic Fest in Pesaro. An infinite number of friendships, current and future collaborations, and one exceptionally important WEMusic song were the highlights of this impactful journey!

OVERVIEW

WE·Music

"We're here for the time
Then we're moving on
A lot to go around
But I am not here on my own

Can you feel the vibe
It's like a coming storm
Sun is shining
And I am burning
High and low

Your eyes are glimmering
With the sparkles of your soul
I find myself at peace
I find myself at home

Can you feel the vibe
It's like a coming storm
Sun is shinnin'
I am burnin'
High and low"
